### Old Business

- Terry Davis, Ed Woodward, and Bill McCormick will be leading the field trips. They still need assistant trip leaders and a trip safety officer.
- Linda Lundquist would like volunteers to help her with the social committee.

### New Business

- Joe Toce suggested the club offer a \$5 disbursement to each current member who attends the February luncheon. Last year the club provided \$10 to each member at the luncheon to bring down the amount in the club's account in keeping with Rec Center policies. A motion was made and passed to give each member in attendance at the February 18 luncheon \$5 to help defray

the cost of their meal. Please note: 2022 membership dues must be paid prior to the luncheon to receive the disbursement.

50/50 Drawing – the club raised \$90 with \$45 going to Linda Rusch.

Door prizes were won by Bill McCormick and Linda Lundquist.

Mardy Zimmerman gave a presentation on fluorescing rocks (mainly calcite) of AZ. She showed some stunning photographs and told of an unusual new find of marble in Maricopa County that fluoresces. Marble is a metamorphic rock and as such does not normally fluoresce. She graciously brought samples and gave them out to members.

Next Meeting is February 18.

Meeting adjourned at 2:30.

Respectfully submitted,

Judy Davis, Secretary
